64 THE LEAF GATHERER

A beautiful peasant girl in plaid skirt and low white bodice stands at rest for a moment while at work. She carries on her back a large basket filled with autumn leaves, and in her left hand she holds a rake. The landscape background is effectively indicated in a somewhat impressionistic manner, so that the figure of the girl is the main point of interest.

Canvas. Signed to the right. Height, 77 inches; width, 34 inches.
